

Inc. of Alviso, California (“TiVo”) as respondent.

On March 22, 2012, Microsoft and TiVo filed a joint motion to terminate the investigation in its entirety based upon the execution of a settlement agreement. On March 26, 2012, the Commission Investigative Attorney filed a response in support of the motion.

The ALJ issued the subject ID (Order No. 43) granting the motion and terminating the investigation on March 26, 2012. None of the parties petitioned for review of the ID.

The Commission has determined not to review the ID, and thereby renders moot the ALJ’s initial determination granting Microsoft’s motion for summary determination that it has satisfied the economic prong of the domestic industry. See Order No. 42 (March 15, 2012). Accordingly, this investigation is terminated.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in section 210.42 of the Commission’s Rules of Practice and Procedure (19 CFR 210.42).

By order of the Commission.

Issued: April 10, 2012.

James R. Holbein,

Secretary to the Commission.
